Terms and Conditions of Usage

The ECG-Fitness Dataset is publicly available for academic use only. While every effort has been made to ensure accuracy of this database, we cannot accept responsibility for errors or omissions. The academic use of this database is free of charge. Any commercial distribution or act related to the commercial usage of this database is strictly prohibited. The distribution of this database to any parties that have not read and agreed to the *terms and conditions of usage* is strictly prohibited. Neither Czech Technical University, nor any third parties who may provide information to us for the dissemination purpose, shall have any responsibility for or be liable in respect of the content or the accuracy of the provided information, or for any errors or omissions therein. The Czech Technical University reserves the right to revise, amend, alter or delete the information provided herein at any time, but shall not be responsible for or liable in respect of any such revisions, amendments, alterations or deletions.
Any publication using this database must reference to this website:
http://cmp.felk.cvut.cz/~spetlrad/ecg-fitness/,
and this paper:

Spetlik, R., Franc, V., Cech, J. and Matas, J. (2018) Visual Heart Rate Estimation with Convolutional Neural Network. In Proceedings of British Machine Vision Conference, 2018..

It is not allowed to publish or present images that are available in this database except from the images located in the folder "ForPublication". Images in the "ForPublication" subfolder can be published or presented in research papers or at research conferences. All the images in the database cannot be used for any commercial purpose.
